¹ Attendance and participation do not guarantee that youth will pass all requirements. It is the duty of the unit leader to determine if the requirement has been met. ² Youth will be divided into ability groups at the pool and boats to facilitate instruction and skills practice. ³ This requirement has one hour of fishing. Youth will be given some time to fish, but will not have an hour. The rest of the requirement may be done before or after camp or during camp free time under the direction of the unit leader or parent.
