## **INTRO TO OUTDOOR LEADER SKILLS IN YOUR OWN BACK YARD.**

**You finally get the opportunity to be fully trained**  
Most Scoutmasters take Leaders Specific Training, but few find the time to take Introduction to Leaders Skills (IOLS). This action-filled course teaches you all the skills you need to take your boys to 1<sup>st</sup> class. You'll also learn how to teach those skills to your boys. Become the proud owner of a trained leader patch and start being a real (fun, effective and safe) Scoutmaster.
