

DO I NEED TO FILE A TOUR AND ACTIVITY PLAN?

The tour and activity plan is a planning document that should be completed by a unit for **every** activity. Its primary purpose is to ensure that the unit has the appropriate supervision, training and forethought to provide a safe, fun experience for the participants. **Units must submit the tour and activity plan for council review in specific cases.** Please note that even for activities where a tour and activity plan does not require council review, unit leaders and the sponsor are obligated to follow the guidelines in the *Guide to Safe Scouting*, as well as those listed on the tour and activity plan and other activity specific trainings.
